CFI is a member of the Global Forum for Media Development (GFMD) which was established in 2004 to lobby on behalf of those working for media cooperation, and to coordinate the actions of its members in the service of development in countries which are in-wait of receiving international aid. CFI is a public sector operator, mainly funded by the French Ministry of Europe and the Ministry of Foreign Affairs.

AAB COLLEGE MARKS APRIL 6, INTERNATIONAL DAY OF SPORT FOR DEVELOPMENT AND PEACE MARKED

7 April 2021

On the occasion of April 6, International Day of Sport Day for Development and Peace, a roundtable discussion was organized by AAB College’s Faculty of Physical Education where the newly elected President of the Kosovo Olympic Committee, Mr. Ismet Krasniqi and Mr. Besim Aliti, advisor to the president of KOC were invited.

In the opening of the roundtable, the Dean of the Faculty of Physical Education, Prof. Asoc. Dr. Fatmir Pireva spoke about the positive contribution that sport can have in sustainable development and the advancement of human rights.

During the roundtable, the President of KOC, Ismet Krasniqi, spoke about his development plan: “My main goal is to develop sports in Kosovo strategically at national and local levels, to build strength and organizational capacities of national sports federations”.

Krasniqi added that in his mandate as president of the Kosovo Olympic Committee, he will build the capacities to organize major international sports events and involve professionals from Kosovo in international sports governing bodies, however, building of capacities for sports lobbying, financial growth, and the creation of infrastructural and non-infrastructural heritage will remain a priority.

While on the topic of representation of Kosovo in the Olympic Games in Tokyo, Krasniqi confirmed that in addition to the five judokas who have secured their participation in this global sporting event, there are also two swimmers and an athlete who have done the same. Other athletes from different disciplines are also receiving help on their qualification.

“We will strongly support our contenders and help them in the best way we can to prepare so that they can also qualify in the Olympics.” said Krasniqi.

SCIENTIFIC CONFERENCE “PERSPECTIVE OF WESTERN BALKAN INTEGRATION IN THE EU” COMPLETES ITS WORKS

24 April 2021

Organized by AAB College, in cooperation with partner universities from Albania, Northern Macedonia and Croatia, the International Scientific Conference “Perspective of Western Balkans integration into the EU” was held.

This conference, which due to the pandemic situation took place virtually, gathered around 100 researchers from different countries, including Kosovo, Albania, Northern Macedonia, Croatia, USA, Australia, Belgium and Bulgaria.

This conference also brought three important personalities of science in the capacity of keynote speakers: Prof. Dr. Florian Bieber, from the University of Graz (Austria), Prof. Assoc. Dr. Besnik Pula from Virginia Tech (USA), and Prof. Dr. Anton Panchev from Sofia University (Bulgaria), whose lectures were attended with great interest by the participants.

In addition to the three key speakers, the conference proceedings took place in eight separate sessions where topics such as integration, administration, rule of law, and economics were discussed.

The works of the participants of the conference “Perspective of the integration of the Western Balkans in the EU”, will be published in the Book of abstracts of the conference (Book of Abstracts), while the best works will be published in a special issue of the Scientific Journal “Thesis”.

AMBASSADOR ÇAĞRI SAKAR HOLDS LECTURE ON TURKEY'S FOREIGN POLICY

24 April 2021

As part of the special lectures held with foreign diplomats, the Ambassador of the Republic of Turkey, Çağrı Sakar, spoke at AAB College for the students of the Faculty of Public Administration.

During the lecture on Turkish Foreign Policy, the Turkish ambassador to our country spoke about the role of the country he represents in the region, the continent and beyond. He said Turkey has bilateral relations with the Western Balkan countries and maintains good relations with all of them.

“Turkey’s Balkan policy adopts a regionally inclusive stance.” Sakar said, noting that Kosovo was not involved in regional initiatives, and that Turkey aims to involve everyone in the Balkans in order to achieve success through cooperation. He also stressed that Turkey supports the dialogue between Kosovo and Serbia.

Turkish Ambassador to Kosovo, Çağrı Sakar also spoke about the latest diplomatic developments regarding the opening of the Embassy of the Republic of Kosovo in Jerusalem, for which he said that Turkey does not agree with, and even described it as a dangerous action. According to Sakar, Kosovo has violated international laws with this decision.

The lecture of the Turkish diplomat continued with a discussion session where the students had the opportunity to ask questions to the guest speaker.

SANA KLINIKEN AG IN GERMANY EMPLOYS ITS FIRST STUDENT FROM KOSOVO; A GRADUATE FROM AAB COLLEGE

29 April 2021

Thanks to the cooperation between AAB College and Sana Kliniken AG in Germany, last week, the first student from AAB College started their professional trek at Sana Kliniken AG.

Kushtrim Haliti, who has successfully completed his Nursing studies at AAB College, is now carrying out the necessary phase of practical work at Sana Hürth Hospital for formal recognition as a professional nursing staff member.

Kushtrim Haliti has long had ambitions to go to Germany; to work in the field of medicine. He managed to actualize his dream through the collaboration of AAB College and Sana Kliniken AG.

“I have been warmly received here and I am feeling very well,” said Kushtrimi, who has already completed the first week of work as an assistant nurse.

Kushtrimi’s employment at the Sana Clinic in Germany is made possible through the Career and Employment Program, which is a unique program that operates within the Faculty of Nursing at AAB College.

In the coming days, other students who have already signed employment contracts are expected to become part of the staff of this esteemed hospital network.

STUDENT LIRIE HOTI WINS FULL SCHOLARSHIP FOR THE INNOVATION LEADERS PROGRAM TO BE HELD AT LUND UNIVERSITY IN SWEDEN

29 April 2021

AAB College student Lirie Hoti participated in several international competitions, such as the mediation competition held in Lithuania, and the student competition held at Harvard University, but that is not all, now she has received a full scholarship in the innovation leaders program that will be held at Lund University in Sweden.

“After successfully passing all the stages of evaluation, today I feel proud and very happy to share the news with you that I am a recipient of a full scholarship from the Swedish Institute as one of the 30 students selected by the countries of the Western Balkans to participate in the module

which will be held at Lund University in Sweden “, said Liria.

The goal of SI Innovation Leaders (SIIL) is to contribute to the innovation ecosystem in the Western Balkans region. The aim is to create a platform for knowledge exchange and problem-solving between innovation experts within the private sector, the public sector, and academia, with the help of Swedish expertise and experience.

Lirie Hoti is a graduate student of both the Faculty of Law and English Language at AAB College.

RECTOR DEMJAHA SIGNS THE NEW DOCUMENT OF MAGNA CHARTA UNIVERSITATUM MCU2020

29 April 2021

Rector of AAB College, Dr. Sc. Bujar Demjaha signed the new document of Magna Charta Universitatum, MCU2020, which will come into force in June 2021.

This new MCU document incorporates all the Magna Charta founding document's original core values while also trying to resonate with contemporary challenges and concerns.

The signing of the Magna Charta Universitatum is a testament to the fact that AAB College is a member of the global higher education community committed to academic excellence and the provision of high-quality education.

AAB College is a signatory of the Magna Charta Universitatum since 2010 as the only non-public institution of higher education in the country.

The Magna Charta Universitatum was drafted in 1988 by the rectors of European universities where it was initially signed by 388 universities. Meanwhile, today it is signed by over 900 Higher Education Institutions worldwide and serves as a document that supports the basic principles of higher education with a focus specific to the principles of academic freedom and institutional autonomy.

STUDENTS OF THE FACULTY OF ARTS MARK INTERNATIONAL JAZZ DAY

30 April 2021

On the occasion of the International Jazz Day, the students of the Faculty of Arts of AAB College held a series of activities.

The Rector of AAB College in the opening of this event congratulated the organizers, the Faculty of Arts, and wished that this event continues annually for years to come. "I hope that this event will continue to be held annually for years to come, with each event better than the one that came before, especially when the pandemic restrictions are lifted."

The well-known Albanian jazz guitarist, Faton Macula, who lives and works in the USA, also addressed the students through a video message.

He urged students and institutions of art and culture to pay more attention to this day and this musical current and promised students that he will soon offer workshops on jazz and jazz theory. According to Macula, Jazz is the highest level of music, and that this musical form is not just a genre but a way of life.

To mark this day, the students of Musicology, Gent Malazogu and Arta Elezi showed us their artistic performance through jazz.

The day's activities were concluded with the exhibition of the Faculty of Graphic Design and Multimedia students.
